

Event Greeter Assignment

Thank you for volunteering to help with the Hike for the Homeless! We are so thankful to have volunteers to help us greet people and direct them to the event area. This is an important and much needed role!

- **Please note that you will not be directing cars to parking spaces; professionals from a parking company do this. You will station yourselves along the path from the parking area to the event area (behind the row of tents)-- welcoming people and directing them to registration, which is in the picnic pavilion (#9).**

INFO:

- » Please **arrive by 8:00 a.m.** If you can, arrive earlier to help with set-up.
- » When you arrive at the Hike, check in at the Volunteer Registration Table; pick up any items you will hand out.
- » At 8:45 am, position yourselves in areas that facilitate you greeting people in the parking area and directing them to registration at the picnic shelter. This will primarily be behind the large tents as this is the path we prefer from parking to registration.
- » If required, hand flyers and other items as you greet people and direct them to registration
- » At 10 a.m. you are free to go back to the Volunteer Registration table to receive another volunteer assignment or enjoy the event.
