

Face Painting Volunteer Assignment

Thank you for volunteering to help with the Hike for the Homeless! Please arrive at 8:00 a.m. **When you arrive, please check in at the Volunteer Registration table, then proceed to your assigned area.**

Set up:

- Please set up the face painting area. You will have a couple of tables and chairs. Please put tablecloths on the tables. We will also provide bowls for water to wash brushes and face painting supplies including stencils. In addition, we will have a couple of hand mirrors so the children can see their face when it is done.

During the event:

- As hikers check in, we will encourage children to go ahead and visit the children's areas. Onsite check in for hikers is between 9 and 10. So you will have a few kids at that time.
- Hikers hit the trail at 10 with the first hikers coming back around 11 a.m. Some groups do not Hike, so you may have children wanting facepainting during the Hike from 10-11.
- Help yourself to lunch when it is served.

Clean up:

- Around 12:30, the hike starts to clear out. When it slows down, please clean up, throw away tablecloths and pack any supplies in the tub provided. Bring the tub to the volunteer area. You can leave the tables, tent and chairs where they are. The event company breaks them down and picks them up.
