

## Team Signs Volunteer Assignment

Thank you for volunteering to help with the Hike for the Homeless!

- **Please arrive at 8:00 a.m. at Hike. Check in at the volunteer registration table.**
- Proceed to Team Sign Tables next to the t-shirt tent.
- You will be monitoring the tables. Help people find their sign and encourage them to decorate it. You can help them staple their sign to a wooden dowel using the large staple guns (adults only should use these staple guns) or these may already be stapled.
- When people are done with their signs, encourage them to visit the Photo Booth, visit the Safe Haven info booth, etc.
