

CURRENT NEEDS LIST

Safe Haven accepts in-kind donations of items that families can use either in the shelter program or as they move into their own housing. In addition to our “Current Needs List,” you can also view our [Amazon wish list](#) for examples of the types of items we need. Purchase items on line and have them shipped to our shelter or [schedule an appointment to drop off donated items](#). If you have any questions, please email donations@safehaven.org.

PERSONAL ITEMS: At this time, we’re running low on body lotion. Items should be full size. We cannot accept trial sized items.

PAPER PRODUCTS: Toilet paper and paper towels.

HOUSEHOLD PRODUCTS: Unopened laundry detergent (high efficiency liquid detergent only), anti-bacterial cleaning wipes, hand sanitizer, bathroom cleaning products (for individual, not industrial large size), toilet bowl brushes, liquid dish wash soap, dishwasher tabs, bleach, new brooms, vacuum cleaners, dust pans, mops, table lamps/reading lamps, laundry baskets and kitchen trash cans.

KITCHEN ITEMS: We need the following kitchen items: Pots and Pans (sets), Dinnerware sets (4 place settings), Silverware sets (4 place settings), cooking utensils, baking pans, microwaves, toasters, crock pots, pot holders, oven mitts, etc. Please click on our [Amazon wish list](#) for examples of the kind of items we need. We prefer new items to give our families a fresh start.

LINENS: We need: pillows, bath rugs, shower curtains with hooks and shower curtain liners full size sheet sets, comforters (twin size for kids to teenagers, full size for adults), and bath towels. **All linens, towels and pillows should be new due to health codes and for ease in storage.**

GAS CARDS: Gas gift cards are a great way to support a Safe Haven family. We can give these out to families to help with the cost of gas.

GIFT CARDS: We appreciate gift cards to Target, Amazon.com and other stores that carry items we frequently need. Gift cards allow us to purchase needed items, cut down on storage of items and allow us to give them to families to pick out their own items.

APPLIANCES: Vacuum cleaners, microwaves (under \$100)

FURNITURE: With families moving to housing, we often need items like sofas, kitchen tables, dressers, chairs, floor lamps, etc. Before donating, we need a picture of the item(s) sent to furnituredonations@safehaven.org. **We can no longer pick up items.**
