

## CURRENT NEEDS LIST

Safe Haven accepts in-kind donations of items that families can use either in the shelter program or as they move into their own housing. All donated items should be new and unopened. We do not accept trial or travel sized items. In addition to our “Current Needs List,” you can also view our [Amazon wish list](#) for examples of the types of items we need. Purchase items online and have them shipped to our shelter or schedule an appointment to drop off donated items. If you have any questions, please email [donations@safehaven.org](mailto:donations@safehaven.org).

## CURRENT NEEDS LIST

### **GAS CARDS:**

-  Gas gift cards are a great way to support a Safe Haven family. We can give these out to families to help with the cost of gas.

### **GIFT CARDS:**

-  We appreciate gift cards to Kroger (\$25), Target, Amazon.com and other stores that carry items we frequently need. Gift cards allow us to purchase needed items, cut down on storage of items and allow us to give them to families to pick out their own items.
