

Trail Guide Volunteers

Thank you for volunteering to help with the Hike for Safe Haven! Please arrive at 8:00a.m. for your shift. **When you arrive, check in at the Volunteer Registration table, and then proceed to your assigned area.**

Before you take your place on the trail:

- Review the map and find your assigned area on the trail.
- Help to carry children's activities to "turn around point" near the field

During the event:

- Your role is to cheer people on as they pass and to make sure they are going in the correct direction.
- You will stay on the trail until the last hikers are returning..
- As the last hiker passes you, you can follow them to come back to the event area (or walk the already finished path if you're closer to that end). Please look for any of our signs that the hikers have already passed and please grab them and bring them to the volunteer registration area and disassemble signs.
