

CORE VALUES

Strive for Excellence

Commit to high performance standards. Provide excellent client care. Go above and beyond in serving our customers. Contribute to making Safe Haven a great place to work.

Serve with Compassion

Practice trauma-informed care. Meet each individual where they are. Prioritize self-care. Be kind.

Never Stop Learning

Seek out best practices. Support each other's growth and development. Engage in continuous training and professional development. Stay curious.

Communicate with Integrity

Engage in open communication to build trust. Respect each other in words and actions. Have honest and direct conversations. Support a culture of continuous feedback. Do what you say you will do.

Embrace Inclusion

Appreciate other perspectives, voices, and experience. Recognize and value diversity. Commit to fairness. Share in decision making.

Cultivate Collaboration

Form meaningful partnerships. Practice teamwork. Build community relationships. Work together.
