## August 28 TO December 9

United Way of Greater Nashville, The Family Collective and Safe Haven Family Shelter have joined together with 25 community organizations to house 100 Nashville-area families experiencing homelessness in 100 days.

Despite Nashville's rapid growth, more than 400 families are currently awaiting housing support. The 100 Day Challenge is an opportunity for our community to come together using the latest, best practices in supporting families experiencing homelessness to become more efficient, more collaborative and serve families faster.

TOGETHER WE WILL SIGNIFICANTLY REDUCE THE NUMBER OF NASHVILLE FAMILIES EXPERIENCING HOMELESSNESS!
