

## Ways to Give at the Holidays (2023):

Here are some ways for our generous community of supporters to give families a festive feeling as they celebrate being HOME for the holidays! Unless otherwise noted below, please contact our team at [holidays@safehaven.org](mailto:holidays@safehaven.org) for more information or with questions.

- **Make an online donation:** Your gift of \$500, \$250, \$100 or any amount can make all the difference in ensuring that families experiencing homelessness have a place to call. To donate online, [visit safehaven.org](https://safehaven.org).
- **Donate Your Holiday:** Set up a holiday page and send the link to your colleagues, friends and family to ask that instead of cards or gifts this year, they make a donation on your page to support the families at Safe Haven. This also makes a great corporate or faith-based holiday giving opportunity. For more information, visit [safehaven.org](https://safehaven.org) or email [sunnally@safehaven.org](mailto:sunnally@safehaven.org).
- **Sponsor a Family:** We have approximately **200+** families in various programs at Safe Haven. We need sponsors to provide holiday gifts for families in our program. The average cost for sponsoring a family is around \$75 to \$100 per family member plus two to three family gifts. If you are interested in sponsoring a family, [please complete this interest form](#), and we will be in touch with more details.
- **Host a Donation Drive:** Hosting a donation drive is a great way to help us provide families with the items they need when they move into housing. To get started, [visit our website](#) and select one or several items for your donation drive. Contact us at [donationdrive@safehaven.org](mailto:donationdrive@safehaven.org) to let us know you are hosting a drive, what items you are collecting, and what dates you are setting for the drive. You will also need to set up an appointment to drop off your items.
- **Welcome Home Kits:** Help us provide families with things that will warm their living spaces and make it feel like home. Shop our [Amazon](#), [Target](#) or [Walmart](#) "Welcome Kit" registries to select a couple of items or purchase one of everything to send a complete Welcome Home Kit. We will need several more kits before the end of the year and more on hand as we move families into their own housing in January.

## Ways to Give at the Holidays (2023):

- **Holiday E-Cards:** Make a donation to Safe Haven in honor of your clients, coworkers, friends and family. - **Children's Programs:** Make a donation to support the Children's Program at Safe Haven which provides a variety of enrichment activities and resources (e.g., tutoring, school supplies, etc.).
