

host a **holiday** donation drive

Safe Haven Family Shelter relies on item donations from our supporters to help make our families feel at home in shelter and as they move into their own housing. Hosting a donation drive is a great way to help us provide household items to the families we serve.

ABOUT SAFE HAVEN: For nearly 40 years, Safe Haven has served as the premier shelter-to-housing program in Middle Tennessee that accommodates families experiencing homelessness. Safe Haven leads our community's efforts to house, support, empower and advocate for families, allowing them to stay together. In 2022, Safe Haven provided transformative services focused on housing and employment to 341 families, providing them with the resources to become self-sufficient and successful.
